

10. ENVIRONMENTAL POLICY STATEMENT

At PDQ / CentreSoft we are committed to operate an efficient Environmental Management System that supports our operation and strategic direction appropriate to its purpose and context including the environmental impacts of our products and activities.

We hereby make the following commitments:

- Fulfil all applicable compliance obligations.
- Promote awareness of environmental legal requirements and procedures to all employees.
- To continually improve the EMS through a framework of environmental objectives and targets
- To protect the environment by preventing pollution and other relevant commitments relevant to context.
- Minimise the environmental impacts associated with the production and packaging process.
- Act positively to reduce the consumption of energy, water and other natural resources.
- Act positively to reduce the production of waste.
- Communicate environmental issues to customers, employees, external providers, and other interested parties.
- To achieve these goals we are committed to establishing and maintaining a cost effective, planned and systematic approach in accordance with the requirements of ISO 14001:2015.
